The Library Club, only two years old, is steadily growing and active in promoting school librarianship. One of the club's activities this year was selling the "Fremont Eagle" bumper stickers. These students are the Key to "Eagle Knowledge"!

The Student Council has representatives from each class that relay ideas from students to the faculty and also put ideas of their own into action. Among the activities that the students give their time are Fall and Winter Homecoming, assemblies, and many dances throughout the year. The Student Council also organizes the annual Bloodmobile at Fremont High School which many students participate in. Student Council is the Key to student involvement at Fremont High School.

National Honor Society

Jennifer Penner gets tapped by Mindy Bristle.

Mavis Church explains, "The key to success is one hand in a friend's and one in God's."

The National Honor Society has been a part of Fremont for fourteen years now. This year 11 members were tapped (4 Seniors and 7 Juniors). To be considered for NHS the student must be a junior or a senior with a grade point average of 3.0. The teachers and administration then evaluate the students who they think best fit the NHS requirements.

The tapping ceremony begins with former members speaking on scholorship, leadership, and character. Then each new member is tapped on the shoulder with a rose and given a candle. The new members light their candles and return to their seats for the induction. Throughout the year NHS members attempt to maintain high academic standards as well as develop leadership quality.

JR. High Choir

The Junior High Choir under the direction of Mr. Nat Rettig is involved in many different activities. They sing at the Christmas Concert in December, and the Spring Concert in April. They participated in the ISSMA Contest with 9 Superior, and 4 Good ratings. The piano accompanists were Mrs. Church and Mrs. Baker. The Jr. High students work hard and are the key to Mr. Rettig's smile.

JR. High Band

The 1983-1984 JR. High Band has the largest enrollment in many years. It proved to be an exciting year and the band participated in many new activities. Some of these activities were the Homecoming Parade, Pre-Game Ceremonies at Homecoming, school pep sessions, and the Fremont Christmas Parade. The band has had a very positive attitude throughout the year which has been a contributing factor to their successful performances. Needless to say, the key to the High School Band's future depends on the JR. High Band.

Jr. High Play

Due to the interest of the Jr. High class, there were two casts of the play "Cybernella".

The two crabby daughters treated Cybernella like a slave. Cybernella had a dream come true. The dream was to go to a disco to meet Prince Harmony. Cybernella won a ticket to a concert and there she meets him.

The Prince chooses his favorite lady—Cybernella. She had to leave at midnight, because she had rented her costume. Cybernella accidentally leaves her glass galosh behind. Prince Harmony finds it and searches for the owner. The search ends when it fits Cybernella.

The enthusiasm of the Jr. High class was the key to a very successful production.

Fall Homecoming

Sideline Eagles wait to play Defense.

This year's theme for the 1983-84 Fall Homecoming was "Eagle Pride and Power." The Eagle Pride was shown all week long as students sported various styles in their clothing. Starting the week on a No Blue note, Fremont students and staff proceeded to Twin Day, sleeked back for 50's, went wild on Punk and finished with the power of Red and Black. The "Most School Spirit" Award went to Lori Rice.

The Fremont Eagles played the Hamilton Marines in a very good defensive game. The Score was a 12 to 6 victory for the Eagles.

The halftime festivities included the Crowning of Chris Famulare as 1983-1984 Homecoming Queen. The Max L. Mitchell Complex Award was given to Mr. Mitchell. He was honored for his many dedicated teaching years. The football team, school spirit and special people are the Keys to a special Fall Homecoming.

Rest Assured

On November 10, 1983, the Morlock family came to Fremont High School in a Three-Act Comedy play. Mr. Morlock was a fidgety, nervous, grouchy old goat who didn't like anything but money. He always griped about his problems, fought with everyone and he wouldn't let his daughter Mary become engaged to Joe Lanconi. The play was a haunting success.

PROM

This year's Junior-Senior Prom was held at the Harbor Light on Saturday, April 28, 1984. The evening started with a dinner followed by a lot of fun dancing to a live band named White Tiger. The best part of the night was when Junior Class Vice-President Stacy Mitchell approached the microphone, while everyone waited anxiously to see which lucky lady would be crowned queen for the 1984 prom. The queen was Chris Famulare, escorted by Todd Kuhn. Following the Formal prom was the Informal prom. The theme "We've Got Tonight" is one more Key that will always unlock memory lane.

Senior Trip: The Key to Sunshine

The Senior Class of 1984 soaked up the Florida sunshine March 16-24. They traveled a long 22 hour Chartered bus trip to Orlando, Florida. Once checked in and unpacked, they went to "Wet-n-Wild", a Water Amusement Park.

Thanks to a wake up call, Seniors were on their next excursion—a day at Walt Disney World. They went on rides such as Space Mountain and 20,000 Leagues Under the Sea.

Monday, the Senior Class went to Epcot Center. They saw things pertaining to energy and natural resources.

Tuesday, the Seniors watched the watershow at Cypress Gardens. Then it was "back on the road again" as they traveled to St. Petersberg to enjoy 2½ sun-filled beach days.

Thursday, the Senior Class traveled to the Country Dinner Playhouse and enjoyed TEAHOUSE OF THE AUGUST MOON.

Friday, the Senior Class went to Busch Gardens. They saw animals from all parts of the world. Some conquered the Python, a fast rollercoaster; others conquered the Congo River Rapids and the Flume Ride. They left Busch Gardens and headed for Fremont.

The Class of '84 has etched in their memory, never to fade, the Florida Keys to Sunshine.

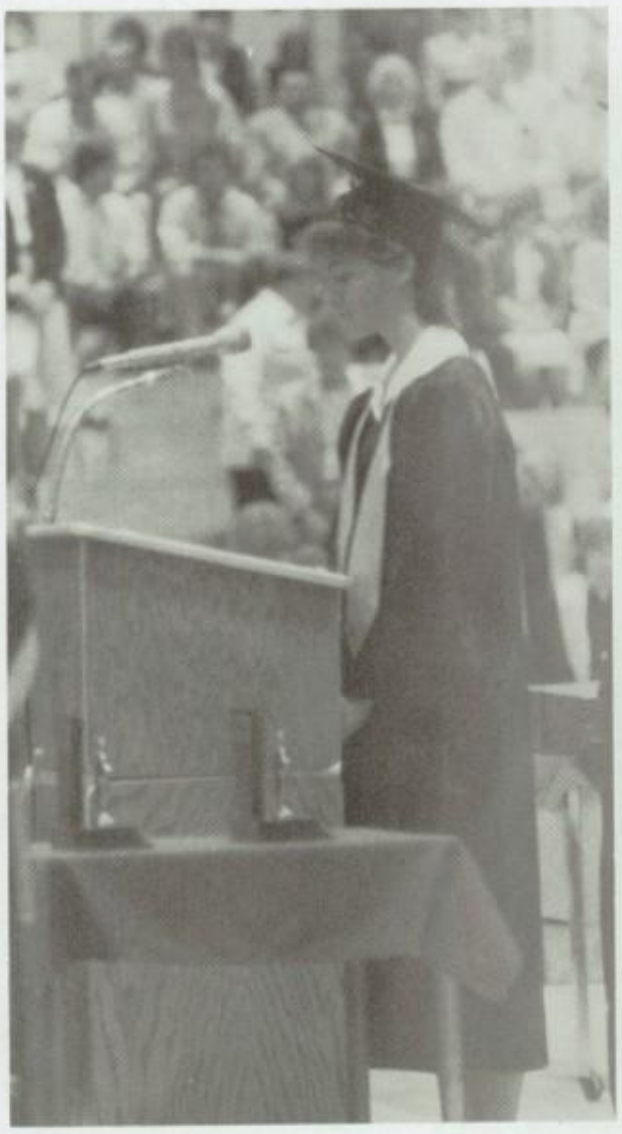
Somewhere over the Rainbow

The moment had finally arrived. After practicing for two days, the graduating class of 1984 took their places for the final time. While black caps and gowns were being repositioned for exact accuracy in the hallway, excitement mounted in the gymnasium. Relatives and friends proudly awaited the 1984 Processional. The familiar tune "Pomp and Circumstance" cued seniors and audience that the ceremony was to begin.

As the graduates entered and took their positions, memories could almost be plucked from the air. Happy times . . . sad times . . . challenging times . . . growing times . . . all surfaced from a flood of rememberances. Why it seems only yesterday you were a toddler of three.

Speeches were given, music played, and diplomas presented. Tassels were switched to the left symbolizing achievement, growth and change.

For the seniors the key to their dreams may lie somewhere over the rainbow. But in a brief moment of time on May 20, 1984, they experienced a fusion of past, present and future. Truly, this was a pot of gold.



Sally Wehrenberg prays the Invocation.

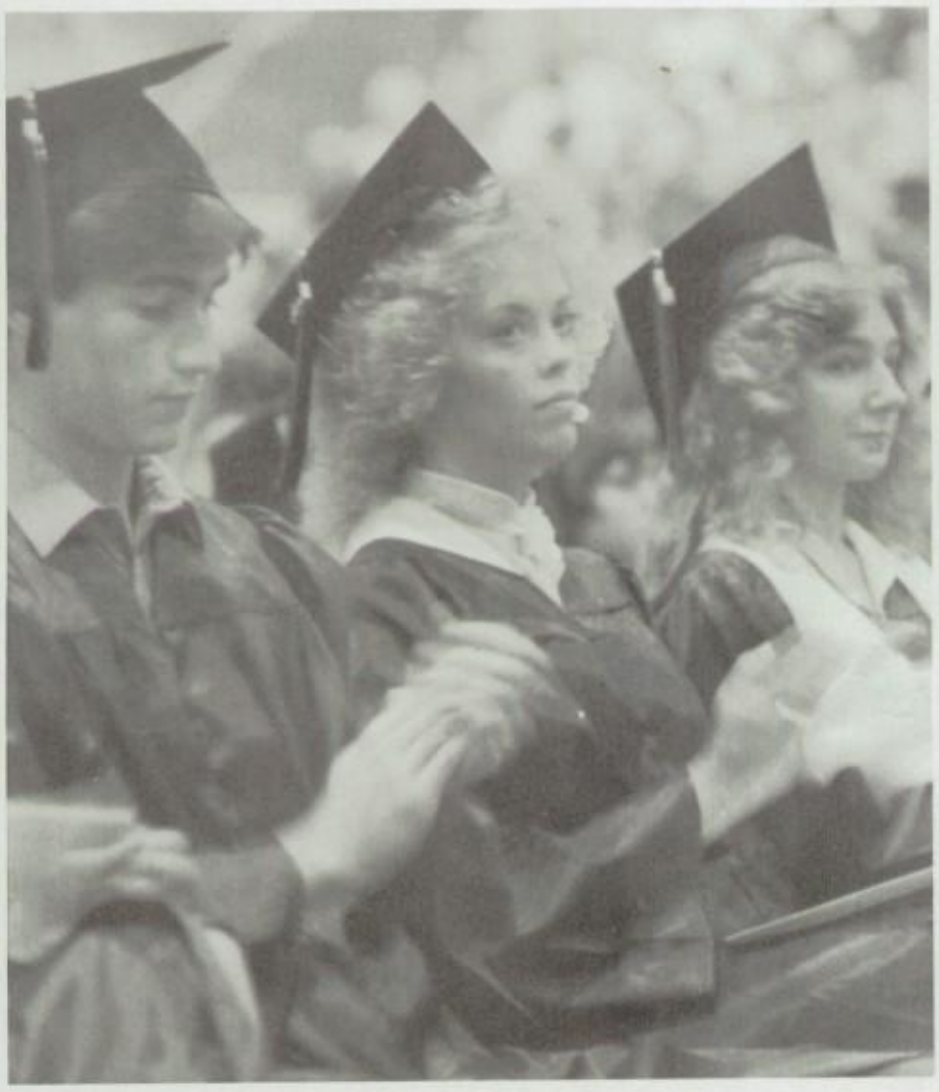
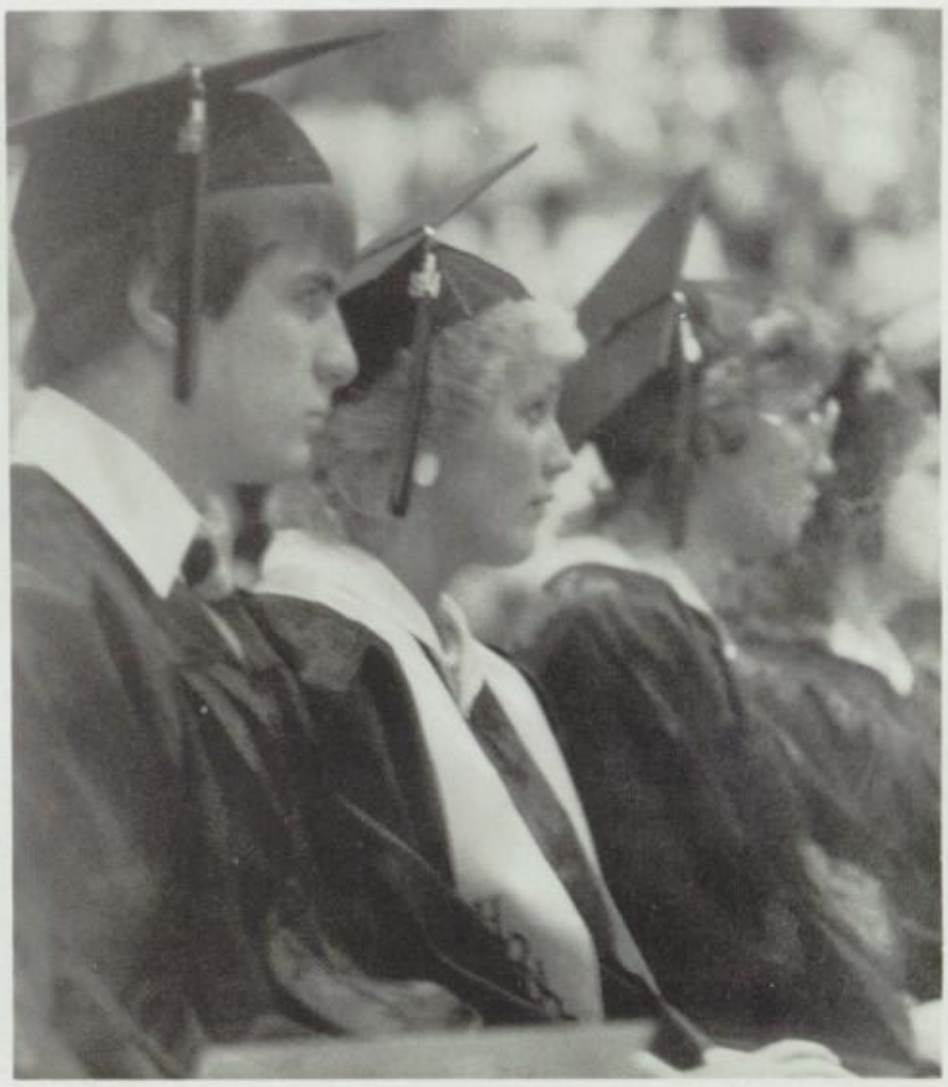
Graduation 1984

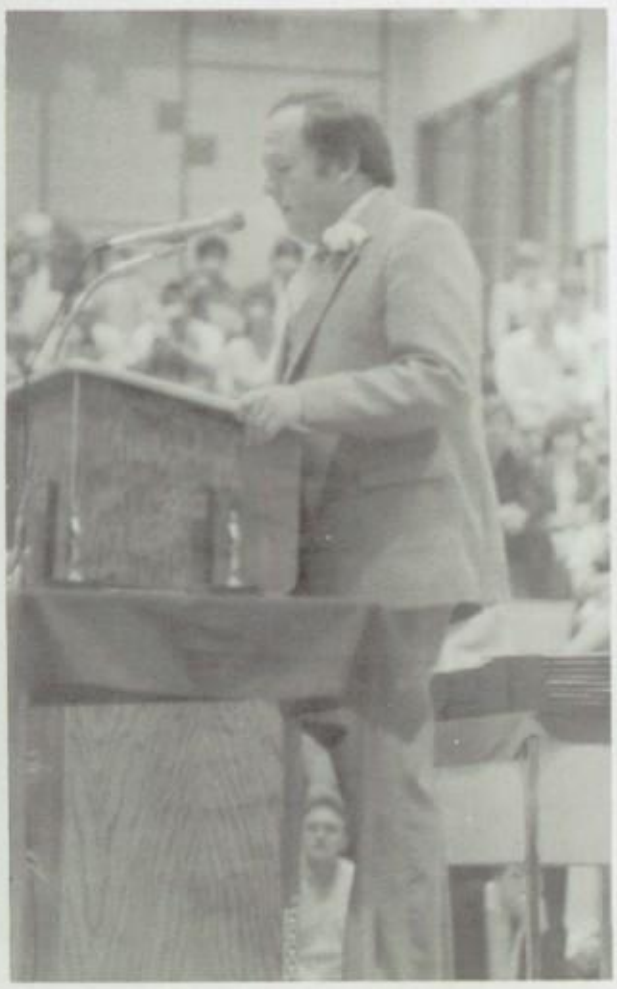
. . . lies the Key to our Dreams



Seniors Todd Kuhn, Lurleen Janacek and Robin Huss clap as the speech ends.



Seniors Jim Dilbone, Cindy Dietrich and Debbie Diehl await their diplomas.



Mr. Middleton presents the class of 1984.

FACING GRADUATION

Faces of old and faces of new.
People we know and people we knew.
Growing together and drifting apart.
Always an ending and now a new start.
At graduation we all grow nearer
And all of our friends soon seem so much dearer.
As we say our final good-bye.
One last embrace and one more cry.
A "Keep in touch" and a "Promise I will"
A "Remember when" but better still.
A place in my heart you will always stay.
This is what is said as we go our own way.

KEY HAPPENINGS

As a team Becky Hardiek, Phil Westerman, Mike Beams, and Karen Severyns placed second in the Tri-State University Math Contest.

Superintendent Barry Worl

The elected Fremont School Board consists of seven members. Meetings are held the third Monday of every month. Special meetings are held as necessary. School Board policies are the key for the Superintendent and his staff.

The responsibility of the Superintendent is to uphold and administer all School Board policies. In response to a questionaire, Mr. Worl expressed that Fremont has a school system of which community and educators alike can be proud.

The School Board and the Superintendent are two keys that unlock a quality Fremont education.

KEY PEOPLE

HIGH SCHOOL OFFICE

The High School Office and Student Services are the center of student activity. They step inside this area for a variety of purposes. Obtaining a "blueslip" for an absence, registering for next year's classes, getting a band-aid, asking advice and making constructive suggestions are just a few reasons why students enter these offices.

Each person featured has their individual job responsibility that supports the educational progress of the Fremont students. Every job is unique, but all are keys to the "total" development of a quality education.

Janitors are people keying into problems. After all, who seems to need a janitor until something goes wrong! Working shifts around the clock, they clean hallways, wax floors, and set up the gym and auditorium for special events. When you're in a bind, you can always count on a janitor. They were definitely an essential key to the 1984 VISTULA. Thanks for all the help!

These pictures were just a few of the many that we took for the yearbook and couldn't use. I really enjoyed taking the shots of the sporting events at Fremont. I hope you enjoy this book as much as we did making it.

Varsity Girls Basketball

Julie Head delivers a shot.

The Varsity girls basketball team had a disappointing season this year. Only three seniors were on the squad, C. Deitrich, M. Bristle, and J. Head. The girls fought hard, but came up with a record of 2-13 overall and 1-9 in the conference. The Eagles gave their opponents some tough games. We wish them good luck in the coming years.

Elementary Office

The Elementary Office is the center of activity. Between parents, kids and teachers one can always find plenty of people, usually asking plenty of questions!

So . . . who answers all of these questions? You guessed correctly! It's the three smiling people on this page: Building Principal Ben Roederer, Assistant Principal Mayo Sanders, and everyone's anchor—Secretary Virginia Michael.

The VISTULA Staff would like to express a big "Thank-You" for all the help we received from the Elementary Administration and Staff. Your contributions were greatly appreciated.

The fifth and sixth grade Elementary Choir performed the Christmas and Spring programs. They go caroling at Christmas and also perform for the Fine Arts Festival in Waterloo. Some members participate in the solo and ensemble contest at Bishop Luers.

Their key is to bring joy to others through music.

Spring Concert

Heather Foster plays the saxophone.

Jenny Corburn and Tanya Hall concentrate on playing their best.

The Elementary Spring Concert was a great success for the students at Fremont Elementary School. They worked hard together, practicing to get each note just right. On May 16, 1984, they performed their concert for all who wished to come. Everyone went home on the evening of May 16, very happy after the wonderful performance.

Mrs. Mattia and Mrs. Smith try to get everyone organized.

Candy Redding waits patiently.

Sleeping Beauty

Trina Barry, a good fairy, advises Karla Kutzner, the young princess.

Directors receive presents from the appreciative cast.

Ben Schaeffer, King Stefan, toasts Tim Stack, King Hubert.

Jim Moller, Prince Philips, sings with Cinnamon Brown, Aurora.

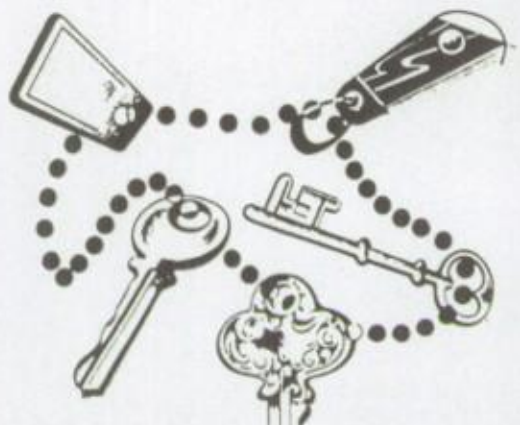
The Elementary Operetta was a long process for all who were involved. The fourth, fifth, and sixth grade students wishing to participate went to the "Sleeping Beauty" tryouts in early February. Everyone then practiced for over a month. On March 19, they performed for the students. The next evening, their final performance was for the public. Even though the cast was very nervous the night of March 20, 1984, all their hard work was the key to a great performance.

Ladies and Lords wait for King and Queen Stefan to be seated.

Operetta

Band

The Elementary Band is the key to the music world. The students learn about their instruments and how to play them. Some of the students are brave and go to the ISMA contest. Everyone participates in the Christmas and Spring Concerts.



The Elementary Art Club was a pretty busy group of kids this year. They decorated the school on special holidays, did the decorations for the stage of the Operetta and the Christmas Concert. Their biggest event this year was their trip to the Toledo Art Museum. Mrs. Nita Paradis is the club sponsor.

Grandparent's Day

Everyone enjoys lunch with their grandparents.

T.R. Hagerty smiles while he has a delightful lunch with his grandfather, Roy Crandall.

Jennifer Ragelman is quietly having lunch with her grandparents.

In the early fall the young elementary students invited their grandparents to come to school for a day of different activities. Some of these activities included seeing the computers with the students, spending the day in the classroom with them, and enjoying a nice lunch together. There were also special activities in all the classrooms that provided an enjoyable day for all participants.

Grandparents are the key to the past and their grandchildren are the key to the future.

Elementary Carnival

On March 9, 1984, people of all ages gathered in the old high school gym for the Elementary Spring Carnival. The festivities included games such as bingo, ring toss, and a cake walk. Teachers, students, and parents helped with the activities. All sorts of prizes were won and at the height of the excitement, a raffle took place with a home computer as the grand prize. Amid costumes and face painting, the Elementary Spring Carnival proved to be a fun and exciting evening for everyone.

Robin Baker and Sarah Baker concentrate on their game.
Sonia Bailey patiently waits while Christina Goshorn watches her sister take a turn.
Nicole Keller trys her best to win.
Mrs. Eatinger spins the wheel to see who is going to win.
Vicky Gary, dressed as a clown, makes the children smile.
Everyone waits for Jeff Bauhof to take his turn.
Jarred Brown waits to pick the winning ticket.
Laura Weber smiles happily as she aims for her target.

The Vistula staff of 1983-84 was rushing to meet upcoming deadlines. Staff members labored over layouts, typing, writing copies and developing pictures. They were involved in a yearbook workshop at St. Frances College. They also met goals they had set for the Ad Campaign.

The advisor, Miss Cindy Wilson, worked hard encouraging and checking layouts, pictures and copies. We would like to thank Miss Wilson, the Business Lab for typing facilities, Administration, Faculty, and the staff for helping us have a successful 1983-84 yearbook.

1984 Senior Staff: Chris Sullins, Leah Marckel, and Debbie Diehl.
